

Who can participate in the program?

Participation in the program is limited to residents of the below listed streets, and employees of businesses located on the below listed streets:

- West Potomac Street – Delaware Avenue to Maple Avenue
- East Potomac Street – Maple Avenue to First Avenue
- South Virginia Avenue
- North & South Maryland Avenue
- South Maple Avenue
- Petersville Road/A Street – Traffic Circle to First Avenue
- First Avenue – A Street to Potomac Street

Included streets shown in yellow on the map below.

Program Guidelines

Downtown spaces are designated as either parking permit spaces or metered visitor spaces:

- There are approximately 91 visitor spaces, which will be metered through centrally located meter boxes. These spaces are open to any visitor to downtown Brunswick, whether shopping or dining, or visiting family and friends who reside downtown.
- There are approximately 111 parking permit spaces. These spaces are reserved for downtown residents and employees of downtown businesses.

Program Guidelines - continued

Parking program participants are eligible for one pass per vehicle, good for one calendar year, renewable each January 1st.

The cost for parking program participation is \$25 per vehicle per year.

Refunds WILL NOT be issued to participants who move or no longer utilize their pass.

Participants will be registered in the program by license plate number, and allowed to park in ANY open space designated as part of the program.

Parking will be on a first come, first serve basis.

Spaces WILL NOT be assigned or reserved. Program participation only allows participants access to parking in available program designated areas.

Participation in the program DOES NOT guarantee an open space.

If a parking program participant cannot locate an open program-designated space, there are approximately 675 overflow parking spaces located at the MARC lot.

Brunswick Police will patrol parking program spaces through a mobile app. There is no tag or sticker associated with the program. Cars are registered by license plate.

How do I sign up to be part of the program?

Beginning August 1, 2021, all eligible residents and business employees parking in permit parking spaces will be required to sign up for the program. Those not signed up will be ticketed.

- Residents will be required to provide proof of residency and employees will be required to provide proof of employment from the business owner.
- Visit the City's website at www.BrunswickMD.gov to register your vehicle with the parking program or scan the QR code on the traffic signs or meter stations in downtown Brunswick. You may not register through City Hall.

Downtown Parking Meter Stations

Effective summer of 2020, all individual manual parking meters were removed from downtown Brunswick.

Parking meter stations are centrally located throughout downtown Brunswick. Patrons may pay for a parking space using any meter station in town. You do not have to pay at the meter station closest to your parking spot.

Meters are enforced Monday – Saturday, 9am-5pm. Meters are not enforced after 5pm, on Sundays, or on any State-recognized holidays.

There is a two-hour parking maximum on metered spaces.

Meter fees are \$0.50 per hour. Meter boxes accept credit/debit cards and quarters only.

Brunswick Police will utilize hand scanners to check meter times, and will ticket vehicles over the time limit. Parking fines begin at \$10.00 per ticket.
